

## Williams Mullen Launches Coastal Flooding & Resiliency Team

**12.05.2014**

Williams Mullen is proud to announce the formation of the first dedicated Coastal Flooding & Resiliency practice team to assist businesses and communities with the increasing issues and risks from rising tides and recurring flooding. Led by Henry R. "Speaker" Pollard, V, this cross-functional team of attorneys and government relations professionals advises and assists clients by helping shape strategies that manage and minimize the risks, and seeking innovative solutions and entrepreneurial opportunities that overcome the challenges.

We look forward to helping Virginia and North Carolina businesses and communities meet, manage, and overcome the challenges posed by recurrent flooding and sea level rise. Read more about our team and how we can help here.
