

Liz Williamson Quoted in Law360 on EPA's New Source Review Guidance

03.16.2018

As reported in a Law360 article on March 14, 2018, the U.S. Environmental Protection Agency recently announced a decision to change the permitting process for proposed projects that emit air pollutants.

Liz Williamson, a partner in our Environment & Natural Resources section, provided comments on the EPA's New Source Review guidance, which intends to simplify the system by streamlining the permit review process. The Law360 article is available [here](#).
