

Williams Mullen Helps Tarleton Oak LLC Win BAR Approval for Five-Story Office Building in Charlottesville

05.24.2018

Last week, the Charlottesville Board of Architectural Review approved plans for a mixed-use development including a five-story office building on East High Street in Charlottesville. **Ashley Davies and Valerie Long** represented Tarleton Oak during the design and approval process, including at the board's meeting last Tuesday. The infill development at a prominent gateway to the downtown area will also include a two-story parking garage and future plans include 56 apartments to be built on top of the parking garage.
