

Tom Frantz Discusses Hampton Roads-Richmond Mega-Region Initiative with Inside Business

09.28.2018

Nearly a decade ago, an initiative began to combine the Hampton Roads and Richmond areas into one mega-region. A combined mega-region would be the 17th largest in the U.S. On Oct. 16-17, Tom Frantz, who is spearheading the initiative, was part of a two-day inter-regional visit to analyze each region's assets.

Before the event, Tom discussed the initiative with *Inside Business*. To read the article, click below.

Inside Business: Hampton Roads-Richmond megaregion is topic of inter-regional visit

After the event, Inside Business published a follow-up article. To read that article, click below.

Inside Business: Richmond, Hampton Roads business leaders take step forward for collaboration
