

Entity Formation and Strategic Planning

Williams Mullen advises clients during the most critical stages of their life cycle. Our lawyers have significant experience helping clients identify which legal entity to choose given the company's strategic goals and objectives (i.e., liability protection, tax efficiency, capital source, etc.). Our full capabilities in this space are defined below.

- Selection, formation and structuring of appropriate business entities, including corporations, partnerships, limited liability companies, joint ventures, trusts and proprietorships.
- Capital acquisition and formation activities.
- Formation and implementation of long-term business goals, objectives and strategies.
- Preservation of family wealth and succession planning advice.
