

Jackie Knapp Provides Update on Music Modernization Act on NC Bar Association Blog

11.16.2018

Last month, the Music Modernization Act was signed into law. The law modernizes copyright law as it related to singers, songwriters and others that create or distribute music. Williams Mullen attorney Jackie Knapp wrote a blog post for the North Carolina Bar Association's NCBarBlog on the impacts of the law. To read the blog post, click below.
