

Rethinking the Employee Handbook: A valuable addition to your business's toolkit

By: Michael C. Lord

04.10.2019

In March, Mike Lord co-authored a blog post on Builders Mutual's blog about the importance of an employee handbook. In the post, Mike and Michele Hemric, assistant vice president of human resources and organizational effectiveness at Builders Mutual, offer best practices for creating or simply revisiting an employee handbook. To read the article, click below.
