

## CLE Institute - What's Keeping You Up at Night? Business Risks of COVID-19

11.05.2020

CLE Institute or type unknown

Your company has navigated the first six months of COVID, but what is around the corner? In this program, our lawyers will provide some clarity around the various legal issues that are, or could be, affected as we move through this pandemic. Key topics will include force majeure, material adverse change and material adverse effect provisions in contracts and transactions; identifying signs of distress from business partners and how to legally navigate those concerns; credit integrity, risk and planning in a turbulent market; and strategies for landlords and tenants in negotiating and revising commercial leases.
