

## Recent Developments in Federal Tax Valuation

**09.29.2021**

Kevin bender will speak at the Forensic & Valuation Services Virtual Conference this Wednesday on the topic of Recent Developments in Federal Tax Valuation. This session will summarize recent developments in asset valuation for federal income, gift and estate tax purposes, including recent federal court decisions and Internal Revenue Service regulations, rulings and guidance. Kevin will also explore proposed legislation and anticipated federal regulatory actions that may impact the valuation of assets for federal tax purposes.
