

Strategies for Senior Care: Agency Investigations of Senior Care Facilities

By: Matthew M. Cobb & Nathan A. Kottkamp

07.21.2023

The *Strategies for Senior Care* video series explores how owners, administrators, and directors of assisted living facilities (ALFs), skilled nursing facilities (SNFs), and continuing care retirement communities (CCRCs) can prepare for and contend with resident, family, survey, and licensure issues that can quickly turn into time-consuming and costly crises.

Episode 2

In the latest episode, **Matt Cobb** and **Nathan Kottkamp**, who concentrate their practices in health care, discuss what you should immediately do when a state agency notifies you that it is investigating your senior care facility and how you should approach the investigation.

Additional episodes in this series are available [here](#).
